Refortify®
Afro Caribbean Hair

nanoSmooth pure - An advanced innovative series for a safe Bond Reformation Soft Smoothing and Complete Smoothing (Straightening), having **0% Formaldehyde and Aldehyde** and releasing no chemical off-gases, based on pioneering patented Molecular Biomimetic technologies, to be applied within In Salon service and complementary Home Care service.

Professional

Resmooth

Refortify Smoother for Afro Hair to be applied in Salon for a safe Bond Reformation Soft & Complete Smoothing service restructuring hair bonds to a straight formation for a straight hair fibres. It forms solid inner layer to seal natural nourishing nutrients inside hair fibre to enable enhanced inner fluent nourishment and self healing as well as outer layer to construct outer foundation and insulate hair fibre against damaging environmental sources. It reduces friction between hair strands for freedom of movement, enhances colour shine, prolongs colour retention and keeps colour from fading so hair is straight, healthy, toned, elastic, easily designed and manageable as well as luminous having intensified natural shine and colour vibrancy.

Restart Shampoo

Restart Shampoo for All Hair Types purifies and rebalances hair and scalp prior to In Salon service. It detoxifies them by cleansing away and removing excess follicle-clogging sebum, fatty acids, dead skin cells and environmental dermal residues as well as balancing and refreshing them keeping their natural pH.

Home care

Refortify Shampoo

Refortify Shampoo for Afro Hair gently and effectively cleanses hair and scalp as well as balancing and refreshing them keeping their natural pH. It enhances colour shine, prolongs colour retention and keeps colour from fading. It also detangles and reduces friction between hair strands for freedom of movement and improved combability so hair is healthy, toned, elastic, soft, fresh, light, static and frizz controlled, luminous having intensified natural shine and colour vibrancy.

Refortify Mask

Refortify Mask for Afro Hair actively encourages enhanced inner fluent nourishment from roots to tips by natural nourishing nutrients. It forms a mild outer layer to insulate hair fibre against damaging environmental sources as humidity, salty water and UV rays, providing anti-dryness protection under heat and making it elastic. It enhances colour shine, prolongs colour retention and keeps colour from fading. It also detangles and reduces friction between hair strands for freedom of movement and encourages hair growth for a perfect hair fibre so hair is healthy, toned, elastic, soft, humidity-proof, static and frizz controlled, luminous having intensified natural shine and colour vibrancy.

Reinvent Insulator

Reinvent Insulator for All Hair Types insulates hair fibre against damaging environmental sources as humidity, salty water and UV rays, providing anti-dryness protection under heat and making it elastic. It lightly smoothes hair using heating sources as sunrays, blow dryer and flat iron as well as speeding up drying time and enhancing shine so hair is healthy, toned, smooth, elastic, soft, humidity-proof, static and frizz controlled, easily designed and manageable having intensified natural shine and colour vibrancy.

Consecutive usage of nanoSmooth pure Home Care range regains hair perfection as a stand alone service and as a complementary service to prolong In Salon Soft and Complete Smoothing (Straightening) results.
